OVERWHELMED BY ELECTRICITY OPTIONS?

June 3, 2013

Are you looking for direction about electricity supply options?

The Office of the Consumer Advocate (OCA) has updated its website to assist you in making a decision about your electric supplier. The site lists competitive suppliers and aggregators who offer service in your area, as well as suggested questions to ask as you consider switching suppliers.

A wise consumer knows ‘what’s watt’ in electricity.

For more information about Electricity Choice in New Hampshire, go to www.oca.nh.gov.
